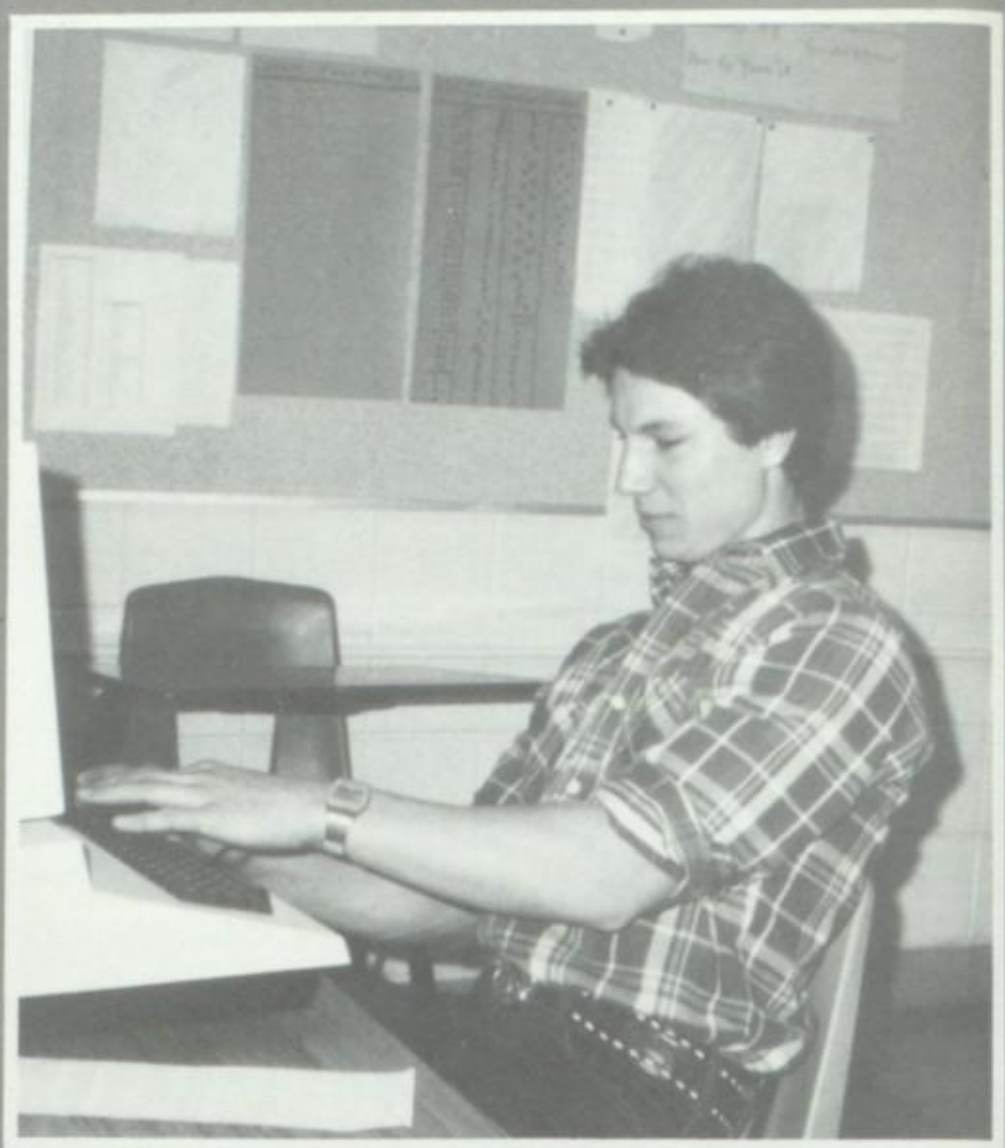
Those Memorable Times



The High School years are some of the best years in everyone's life. They are memorable years that no one can seem to forget. Our memories begin with our first day. They remain with us and they are usually happy, but some can be sad. There was laughter and tears for the winning game and our memories continue . . .

The Marching Indians started their fall show at Homecoming and on Sunday of that weekend they held their first field competition in Marengo. The following Friday they performed at the Sox play off game. The first competition was the Music Bowl, in which the band scored two points higher than last year. Whitewater was the next weekend and the band got a third place, only one-half point away from second place. At the Pumpkin Parade and competition, the band received a long awaited first place trophy. There was a total of three parades, eight field shows, and the Sox Game performance.

Band In Concert

When the band started concert season, they were divided into two groups. One practiced 4A and the other practiced 4B. The 4B band played for the annual turkey dinner in February and in April competed in a county band contest. They placed a third overall.

The 4A band placed a second in the same competition and also competed in the ISHA competition placing second once again. Both bands had a busy and challenging contest season and did a fine job.

The Importance

Of Being Earnest

"The Importance of Being Earnest" was a comedy about two gentlemen, Algy and Jack, who claimed to be named Earnest. This caused a dreadful problem, since the two young ladies, Cecily and Gwendoline, believed that they were engaged to be married to the same man. However, neither of them were really engaged to the same Earnest. Upon discovering that their prospective husbands were not named Earnest, the ladies became unengaged. This only lasted until the gentlemen could make their excuses and apologize. Eventually consent was given for their marriages by domineering Lady Bracknell, and the couples lived happily ever after. "T.I.O.B.E." was directed by Miss Eva Roupas.

The Pal Club was very active in the school year of 1983-84. We did many things including the ever popular Pal Halloween Party. To chase the winter blahs, Pal went to the Belvidere YMCA for a swimming party. Once again Pal went to the Milwaukee Holiday Folk Fair. It was exciting for those who went.

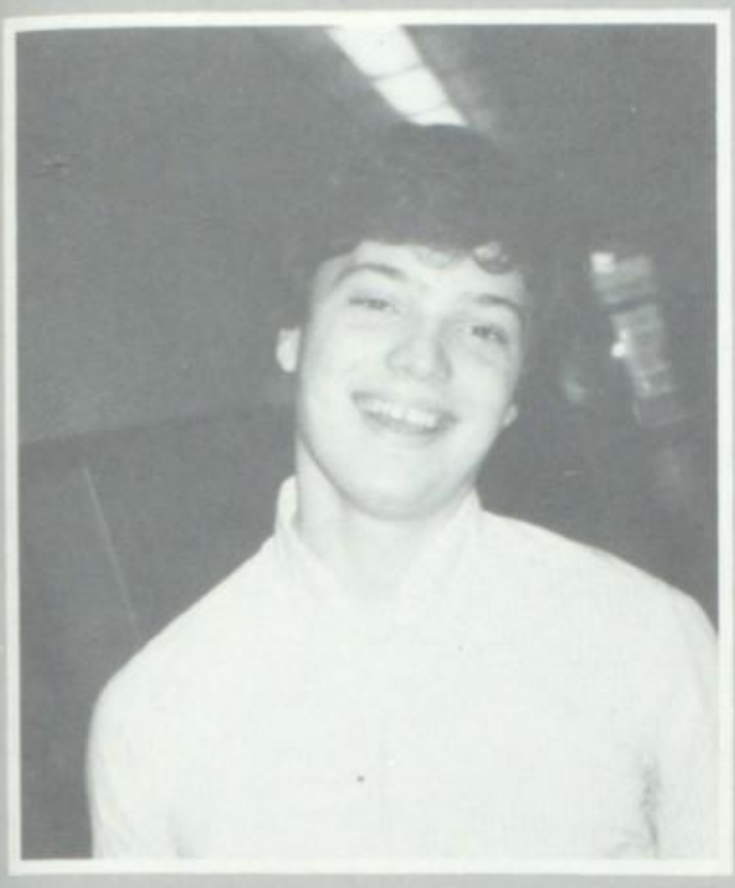
AFS stands for American Field Service and this year M.C.H.S. hosted three foreign exchange students.

The AFS club has increased in size this year. They were involved with many activities and all pitched in for an international dinner for all of the members.

ABOVE: AFS Officers are: Sara Albrecht, President; Amy Hauschildt, Vice-President; Delbert Watson, Secretary; Shirley Pepke, Treasurer, Mrs. Riepl, Sponsor

Lorenzo Brunetta



Lorenzo Brunetta is from Padua, Italy. His hometown is bigger than Marengo, but says that Marengo is a nice little town. He likes M.C.H.S. and says that the teachers are very helpful. Lorenzo was involved in many activities at school. He joined the band and was on the tennis team. He also took part in the county JETS/TEAMS competition.

Marengo's foreign exchange students are: Jean Vervier, Legna Mazier, and Lorenzo Brunetta

Legna Mazier

Legna Mazier is from Honduras, South America. She enjoyed her stay in Marengo, but was not too fond of the climate. Legna's hobbies include shopping, dancing, and going to movies. She was involved with AFS, cooking for banquets, and enjoyed meeting new people from America.

Geri Swiec

On January 16, 1984, Geri Swiec left the cold climate of Marengo and boarded a plane for New Zealand. She left M.C.H.S. to be a foreign exchange student and arrived in time for their beautiful summertime weather. She wrote back to a few Marengoans and said that the weather, school, and people were great. Geri spent a full year "down under" and had a memorable experience.

Jean Vervier

Coming from a big city of 500,000 people, Marengo was considered to be rather small for Jean Vervier. Jean Vervier is from Liege, Belgium and he attended a private school before his stay in Marengo. There was no sports at his school with the exception of soccer, but at M.C.H.S. Jean got involved with basketball and tennis. He also performed in the drama class production of "Charlotte's Web." Being a foreign exchange student was an experience for Jean and he would come to America again if he had the chance.

HOSA stands for Health Occupations Students of America. The purpose of it is to encourage health occupations as a career among young people. We believe HOSA creates a new awareness and understanding of the many health careers available. We should strive to fulfill the health needs of the community to the best of our ability, and do everything possible to be the best of service in the community. We have started slowly, but hope to be a very active group in M.C.H.S.

An Active Year For Student Council

Marengo's admittance into the Northwest Suburban Conference provided the Student Council with an opportunity to participate in a very worthwhile leadership conference early in the year. Many ideas were shared and exchanged among member schools. The annual events of Homecoming and B.B.F.F.A. were held with great spirit competition among the classes. Throughout the year Student Council helped in North Central, Parent Conferences and the sports nights. The Candy Cane sale at Christmas was the largest yet and the money from the sale donated to charity. Student Council's year was a full one but a fun one.

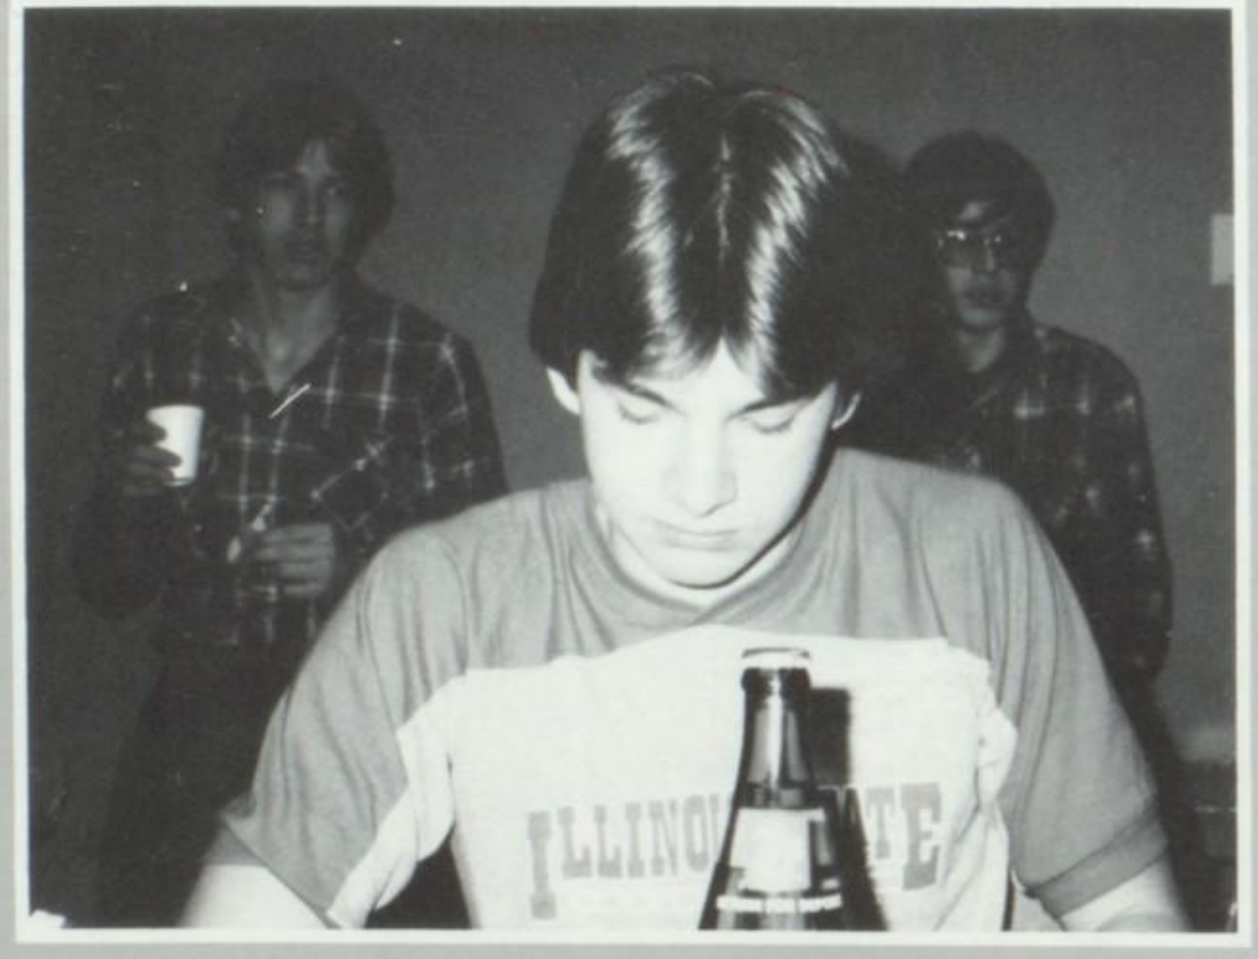
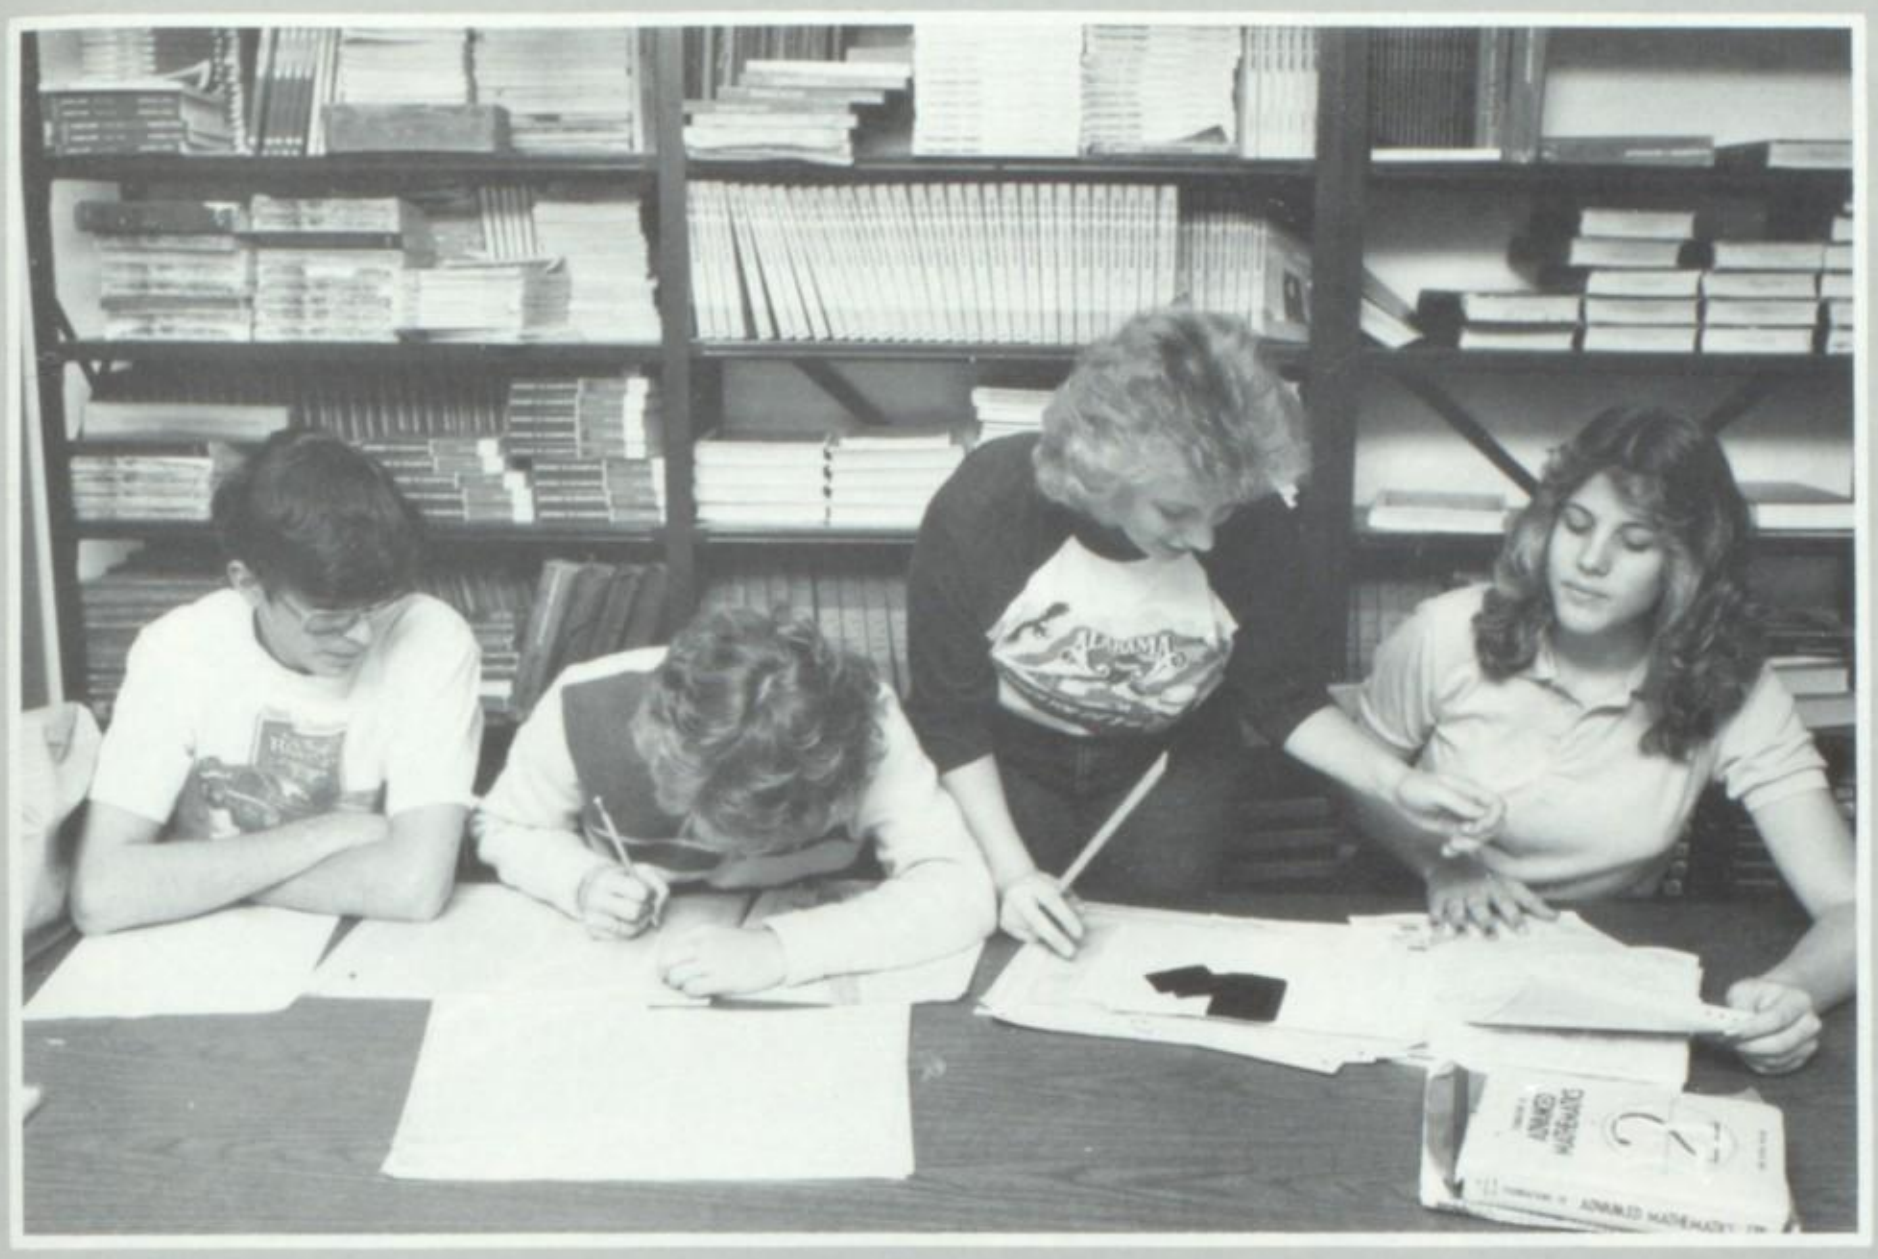
The 1984 Yearbook Staff began as a very small crew, but by the end of the year, it almost doubled in size. Throughout the year, everyone contributed their time and talents on page designs and layouts, and some used their photography skills to increase the book's contents. When the staff meet all their deadlines, they would have a wild party, but the following day was "back to work." Although the fellow yearbook staffers worked hard, they had enjoyable memories on the staff.

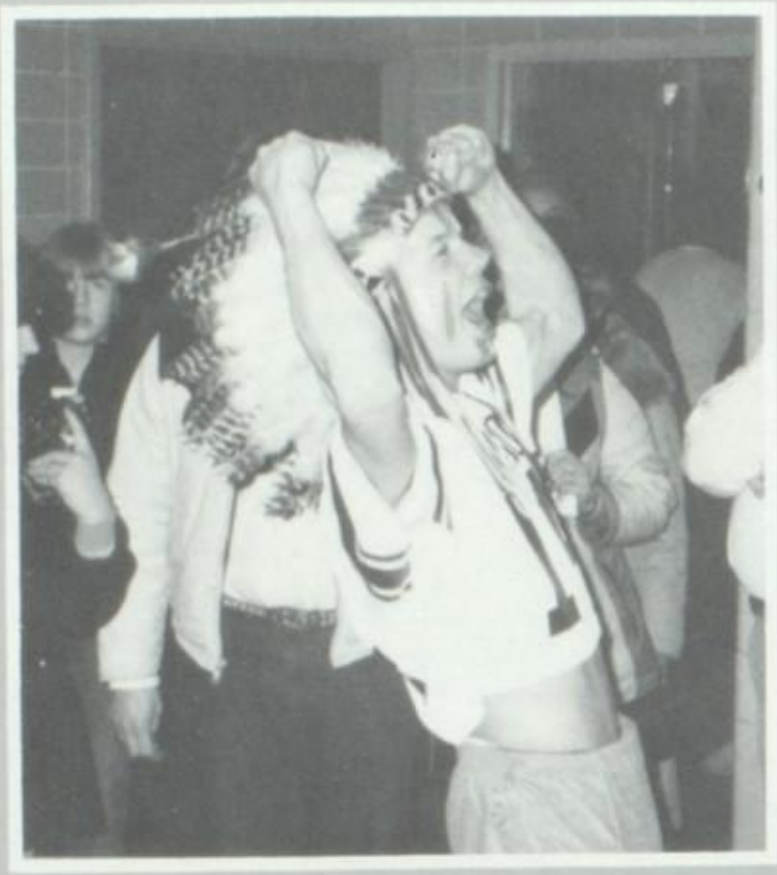
Yearbook's Memories





Above: Mrs. Thunder and her daughter, Miss Thunder, have been a great help to the yearbook staff this year. They did a fine job of keeping the staff, as well as Mr. Reed, their advisor, in line. They were appreciated greatly by the staff for their dedication and for their many years of consulting the staff.

B.B.F.F.A. Leads . . .



B.B.F.F.A. 1984 was a wild and exciting affair. The games were held in high spirits with fierce competition against the classes. The seniors overwhelmed the underclassmen and claimed first in the spirit competition overall. The spirit stick once again remains with the seniors who shook the gym with their mighty roar. The exhillerating and refreshing creativity of the M.C.H.S. students came shining through in the brillant float and wall decoration competition. Juniors came in first in both competitions, but the seniors were "Leapin' Into New Horizons" with a first place overall.

MORP

On March 17th, PAL club and Student Council went together to sponsor MORP. MORP was a casual dance that had the Y-95 Music Machine and door prizes, and was catered by McDonald's.

Many students came for the excitement, but because of bad weather conditions, McDonald's could not make it to the dance.

MORP had a fantastic turn out, despite the weather, and those who went had a terrific time.

This year's cheerleading squad consisted of twenty varsity, sophomore, and freshman girls. Mrs. Wooley and Mrs. Mathis advised the cheerleaders during the football season, and Miss Staudt took over for the basketball season. For fundraising, the girls sold hats, scarfs, and mittens, and posters listing events the Indians were in. They also sold christmas ornaments.

The girls thank all three advisors for the time they spent and all they have done for all of the squads.

Senior Memoirs

Senior Class Officers: Anne Brandt; Secretary, Beth Wilke; President, Miss Chayer; Advisor, DeAnn Szara, Treasurer; Jennifer Otis; Vice-President

The class of '84 has left its own trademark. Long ago when they were freshman, they were a little timid about attending the BIG "MCHS", but soon they all made new friends. They were finally established as a member of Marengo Community High School. Their first homecoming was an excitement filled in the air. The theme was Medieval Times and our opponent for the big game was the Vikings. The homecoming king and queen were Brian Zwart and Annette Rigg. The freshman float, of course, took fourth place.

By sophomore year, the class of '84 was well into the routine life at MCHS. Homecoming was an exciting affair. The sophomore class king and queen were Tim Papka and Beth Wilke. The spirit games were a wild array of enthusiasm. Mr. Behrens left the role of being class advisor but Miss Chayer eagerly filled his shoes and helped throughout the year.

Junior year was a year of fun and laughter. Cole Samuelson and Dianna Simons reigned as homecoming king and queen. The theme was Adventures To The Ends Of The Earth and unfortunately the float got fourth place. Much enthusiasm and school spirit helped the class of '84 pull in a second in spirit games. Junior Prom was held at Seven Acres and the band "Bushwack" kept the beat. The theme was "Just You And I" and our class colors were pink, dusty rose, and white. Jim Driver and Kathy Schulter were nominated for prom king and queen. But, like everything good, Junior year came to an end.

Senior year brought on the long awaited trial of responsibility and maturity. "Times A Changin'" was the theme for Homecoming '83. Jim Driver and Annette Rigg were the senior king and queen. The float, "Rockin' Into New Times" recieved a second but the senior power overwhelmed the underclassmen in all of the spirit competitions. These are a mere few memories in the past four years for the class of '84. They are ones to remember and looked upon as a time in life that was once wonderful but can no longer be.

The class of '84 wishes to thank their sponsor, Miss Chayer, and Mrs. Montgomery for their time spent helping the class throughout the years.

The Junior Class spent most of their year preparing for prom. The last two years they did fundraising and this year they worked in the concession stand during both football and basketball seasons. Mr. Zarumba did a great job of being their class advisor, and he also helped to make their prom and year a success.

Sophomore's Memorable Year

Jeanne Cowan; treasurer, Sue Wolff; vice-president; Mike Magnetta; president, Dana Piske; secretary

This year's sophomore class of 1986 has worked hard to reach the top. They re only half way there, but they have put in all their effort to become the best. It has shown in their football team, girl's and boy's basketball teams, and the spirit competitions. Even though they were defeated in the float competition, it was a success in the sophomores' eyes. They continue to strive to be the best in the years to come.

Freshman Memories

Freshman Class Officers: Faith Thurow; Secretary, Monique Lulinski; Treasurer, Michelle Naylor; Vice-President, Pat Signore; President

The Class of 1987, like most freshmen, were not as busy as the other classes. They participated in both Homecoming and B.B.F.F.A. and also with help of their advisors, Miss Staudt and Miss Krause, did some fund raising for the class. The main concern for the class was to try to adjust to high school and to prepare to sell elevator tickets to the next year's incoming freshman class.

Hold On To The Memories

Single file and yet together,
We have shared our greatest days.
And we carry common memories
In different ways.
Though we don't know where we're going,
We will cherish where we've been.

There are special moments, memories, and times,
We can not possibly forget,
Memories we want to hold
And never regret.

We picture the times with friends
When there was laughter and tears.
Moments we shared seemed like yesterday,
But what happened after all these years?

Never forget those special moments.
Hold on to the memories,
Don't let them end.
Hold on to the memories,
Never let them go.
